EXPERIENCE

Senior CRM Consultant / Systems Analyst BAASS Business Solutions, Inc.

Thornhill, Ontario, Canada | Oct 2012 – Present

- Leveraging 13+ years of CRM and systems analysis expertise to deliver exceptional value to customers. Delivering successful requirement assessments, solution designs, implementations and post implementation support, with a focus on the Sage CRM platform and integration with various systems.

Systems Analyst / CRM Consultant / Technical Specialist

Axis Integrated Solutions, Inc.

St. Louis, Missouri, USA | Feb 2005 – Oct 2012

- Performing and managing pre & post sales assessments, demonstrations, customized pre-sales presentations and proof of concepts, systems analysis and functional requirements, system design and business case development, integration design, installation and implementation, data conversion, upgrades, customization, training and project management.

CRM Consultant / Systems Integration Specialist

Synergy Plus Solutions

Windsor, Ontario, Canada | Sep 2002 – Feb 2005

- Was the sole CRM Consultant and responsible for all CRM sales demonstrations, needs assessments, solution designs, implementations, training and custom development projects. Transitioned into an ACCPAC ERP environment specialist and systems integrator. Responsible for developing custom applications, integration methods and add-ons.

Co-founder & Board Member (Volunteer Position)

Race Huron

Goderich, Ontario, Canada | May 2013 – Present

- Race Huron is a non for profit organization that holds endurance events in Huron County, Ontario (Ontario's West Coast). The committee is comprised of people who love both endurance sports and the area we live in, and want to share both of those things with as many people as possible.
- Co-Founder and Board Member
- Registration Coordinator
- Website Designer and Administrator
- Treasurer
